Army Selection

This tournament will be using the standard force selection chart for the 1500pt games and the rules found in the 40k rulebook for the 40k in 40 minutes games.

No points will be awarded for army selection. Reviewing previous events this seems to hinder certain armies unfairly.

Quiz Scoring

For each question answered correctly you will be awarded 2 tournament points, this makes total points available in the quiz 20.

Points Deducted

Be aware that we will be deducting points for certain things. These are:-

- Arriving late
- Delaying the start of a game
- Excessive arguing
- Interfering with other peoples games (helping, interrupting etc.)

Army Inclusions / Exclusions

- Special characters **may** be used during the event (according to the relevant codex - e.g. Abaddon the Despoiler can only be used in 2000pts+ games so cannot be used in this event, Commander Shadowsun however can only be used in 1500pts+ games so can be used.)
- Space Marine armies cannot use the drop pod rules (they have lost them all!)
- No Super Heavy vehicles may used.
- No Flyers may be used.
- No Proxies of any kind may be used.
